Posters should be related to research activities in an area relevant to the SYNBIOS conference. Posters will be selected for exhibition based on an abstract submitted prior to the conference. If you are interested in exhibiting a poster at the SYNBIOS conference, please submit an abstract of no longer than 200 words to the SYNBIOS Conference Secretariat, (t.r@nykomb.se) before 29 April 2005. We will let you know *by email* whether your poster has been selected for the poster exhibition by 6 May 2005.

Abstracts should be submitted in Microsoft Word format or as a pdf. If you are planning to submit several posters, *please write one abstract for each poster submitted*.
